Featuring one of my favorite vintage postcards from my personal collection, print the block directly onto computer printer fabric with your inkjet printer then use it as the foundation for your crazy quilt block with the center image already in place. To use this foundation pattern, align the edge of the fabric with the dotted line and sew on the straight line. Flip the fabric, and press the seam allowances toward the dotted line. Each block has more comprehensive instructions on how to piece the sections and sew the block together.

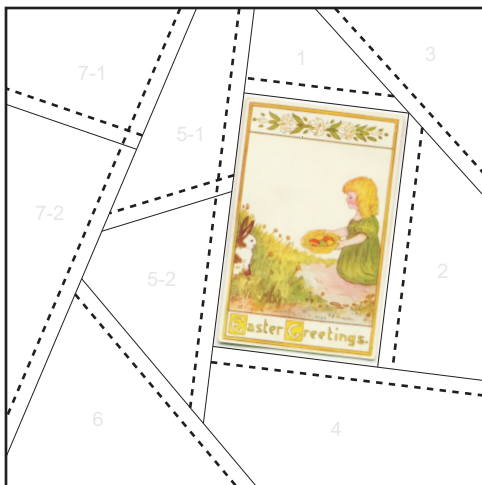

Embellish to your heart's content with these products from Vintage Vogue: Memory Frames, Beads, Antiqued Charms and Findings, German Glass Glitter and Micro Beads, Sadi Thread and Shisha Mirrors, Chenille Thread, Metallic Trim and Metallic Embroidery Ribbon, Velvet Rick Rack and Leaf Trim, Colour Streams Silk Ribbon and Silk Thread, Hanah Bias-cut Silk Ribbon, Velvet Ribbon, French Wired Ribbon, Velvet Pansies, Velvet Leaves, and Vintage Stamens.
