Click on the image to see the original square block featuring this postcard posted on the Nostalgic NeedleART blog earlier today on 11/3/12.

Featuring one of my favorite vintage postcards from my personal collection. Print this block directly onto computer printer fabric with your inkjet printer, then use it as the foundation for your crazy quilt block with the center image already in place. To use this foundation pattern, align the edge of your fabric with the dotted line and sew on the straight line. Flip fabric over and press toward the dotted line. Stitch two pieces of fabric together (1-1, 1-2 and 3-1, 3-2 and 4-1, 4-2). Treat as one piece of fabric for 1, 3 and 4.
