Free Crazy Quilt Block Patterns!!!

On the 15th of each month, I update my blog with a free pattern for a crazy quilt block, featuring one of my favorite vintage postcards from my personal collection.

Print these blocks directly onto freezer paper backed fabric with your inkjet printer, then use it as the foundation for your crazy quilt block with the center image already in place! If you want to make your block larger or smaller, use this as a guide to piecing.

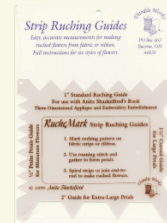

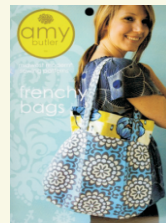

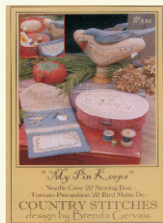

See my Blog for more free crazy quilt blocks!
