

## Christmas Greetings Crazy Quilt Stocking from Vintage Vogue

Featuring one of my favorite vintage postcards from my personal collection. This is C218 from our Vintage Postcard CD. Print this design directly onto computer printer fabric with your inkjet printer, then use it as the foundation for your crazy quilt Christmas stocking with the center image already in place. To use this foundation pattern, align the edge of your fabric with the dotted line and sew on the straight line. Flip the fabric over and press toward the dotted line. Stitch three pieces of fabric together (6-1, 6-2, then add 6-3). Treat as one piece of fabric for 6. Applique the heel and toe (8 and 7). Enjoy!

Merry Christmas from
