

Nostalgic NeedleART Crazy Quilt Block...

Featuring one of my favorite vintage postcards from my personal collection. Print this block directly onto freezer paper backed or interfaced fabric with your inkjet printer, then use it as the foundation for your crazy quilt block with the center image already in place. If you want to make your block larger with a full-size postcard image or make a smaller block, use this as a guide to piecing. This is [FL101](#) in the links of images. You can resize it to fit the requirements of your block. Click the picture to see a larger view of this finished block that's featured on the [Crazy Quilting](#) page of my website, [Vintage Vogue](#).
